

Spring Is In The Air

Well the first signs of Spring are well and truly coming through now and isn't it beautiful! We have spent time learning about the weather and change in the season whilst making rainbows which have filled the school hall full of colour. We have learnt how rainbows appear and how hailstones are created because we seem to have had a lot of them lately!

World Book Day was also great fun, seeing various costumes and sharing stories and reading with the children to capture their imaginations was wonderful. We have extended the children's play through their interests, bringing natural resources inside and making a dinosaur park and mud kitchen. We must also apologise for the dirty clothes, messy play with shaving foam and glup has been fantastic! As well as the hand painting we did for those top secret Mother's Day cards....we hope you liked them.

With a busy schedule ahead we have Red Nose Day to celebrate on 19th March so please feel free to send your child in something red on this day or even pack them red foods in their lunch box.

We are also really excited to share with you that we are organising a village Easter Trail on Easter Sunday (4th April) for you and your families to enjoy. There will be Spring sensory activities to do along the way and a surprise delivery from the Easter Bunny at the end! Make sure you keep an eye out on our social media channels for information as to how you could take part and have some fun on this very special day.

After the Easter holidays we will also be opening on a Friday afternoon until 2:30pm. If you are interested in your child joining us for this afternoon session, please register your interest with Nicole.

Wishing you and your families a very Happy Easter from all of us here at Pre-School!
